Tickets are \$25 at the SAC office and Steinbach Liquor Mart, or online at [www.steinbachartscouncil.ca](http://www.steinbachartscouncil.ca).

All proceeds of this fundraiser for the Steinbach Arts Council goes directly towards the renovations at the Steinbach Cultural Arts Centre project to help us achieve our mission of *Enriching Our Quality of Life Through the Arts.*

We have expanded the event and opened both levels of the Centre for our guests - featuring over 60 wines from 20 different vendors. The evening will also be filled with delicious food, live entertainment, wine, and of course - canvases being filled with ART, right on the spot, while you watch!

**New! Purchase these artworks** – silent auction bids are accepted throughout the evening – highest bidder wins!

The event begins at 7:00pm, but feel free to come anytime throughout the evening. A wonderful array of scrumptious appetizers- creatively customized for this event, is sponsored by *Country Meat & Deli*. In addition, 'R' Bistro has sponsored a raffle basket fundraiser – consisting of "date night" packages, including assorted wines and cheeses, 'R' Bistro restaurant gift certificates and tickets to a SAC concert.

The Hall Gallery will feature art from Paul Reimer's *Paul's Pics* and Wayne Letkeman's *Landscape and Seascapes*. Besides our local artists creating artworks live on site, local musicians will provide delightful entertainment.

The Steinbach Arts Council is thrilled to bring this one-of-a-kind event to Steinbach. Experience and be educated on the wine and wine making process of some the finest vineyards alongside fabulous food, art, and entertainment. Enjoy this event with good friends!
