

FUSION Musical Theatre Information Sheet (2018/2019)

INSTRUCTOR: Gabriela Gallo, BMEd

Bio available at www.steinbachartsCouncil.ca

What is FUSION?

Directed by Gabriela Gallo, FUSION is a musical theatre program for young people. It is designed to provide group training and opportunity to aspiring young performers in the area of Musical Theatre, from ages 5-12.

How will the program help me?

The goal of FUSION is to provide young performers with skill development, opportunity, and preparation in the area of musical theatre. It gives training that helps on stage, whether it's in school, church, or community productions!

Our instructor tailors this series of workshops to each INDIVIDUAL student within the group, bringing out the best singer/actor/dancer in everyone! Regardless of your aspirations as a young performer, FUSION is the program you want to be in if you love musical theatre.

What makes this program different?

FUSION is exactly that: a fusion of three disciplines of performing arts including music (voice), drama and movement. Individual voice lessons usually focus on one element of musical theatre, but FUSION incorporates all three.
