# JAMES & JAMESY

2016 CANADIAN COMEDY AWARD WINNERS  
 16-TIME 'BEST-OF-FEST' WINNERS JAMES & JAMESY  
 STEEP AN UPROARIOUS THEATRICAL ADVENTURE

## - 2 FOR TEA -

*Monty Python meets Dr. Seuss in an infectiously fun, perpetually playful wonderland from Fringe Festival favorites*

From two multi-award winning, masterful British comedians comes the outrageously funny and brilliantly inventive journey of James & Jamesy in 2 for Tea, on stage Your Dates at the Your Theatre. Transcending physical comedy and redefining immersive theatre, the 16-time “Best-of-Fest” Fringe winners masterfully cultivate the spirit of play with their audiences.

In 2 for Tea, James & Jamesy lure audiences into their delightfully bizarre world with their innocence and endearing chemistry. Blending meticulous physical theatre with comedy, improv, and word-play, the duo pour out a tale of friendship steeped in misadventure. Audience members find themselves on the front lines of the British army and others wind up sipping tea on stage in the afterlife. 2 for Tea is a celebration of camaraderie, family, trusting those we love, and of course, tea.

“Our audiences often surprise themselves by how eager they are to jump into a costume and join in on the fun with James and I,” explains Jamesy, the quirky, meticulous, and rather obsessive half of the uproarious British duo. He continues, “2 for Tea is unlike anything you’ve ever seen, made new each evening from fresh interpretations by the eclectic audience members that become part of the show.”

More than 60,000 Canadians have relished their cheeky, laugh-inducing theatrics celebrated among children and adults alike.

Hailed as “a child’s imagination on steroids” by the London Free Press and “complete and utter fun” by the CBC, critics rave for the charismatic James & Jamesy in 2 for Tea. A must-see performance on the International Fringe circuit, the unstoppable duo regularly receives glowing praise, having been named Most Outstanding Show (London), Best of Fest (Toronto), Pick of Fringe (Vancouver), Best Comedy (Victoria), Patrons’ Pick (London), and Best Script (Montreal), among many more.
