**Steinbach Cultural Arts Centre Hall Gallery
304 Second Street, Steinbach**

Open to the Public

A Toonie donation is greatly appreciated.

SEA Chair Kim Gwozdz offers the reason for the local artist's existence is to enjoy the company and encouragement of fellow artists. The artists provide a format to share their work outside their homes and ensure that they set aside a couple of hours each week for the development of that craft. It offers confidence that what we do as artists is important and provides opportunities for growth.

South East Artists is an informal gathering of artists who share a common passion for art and painting. No formalities are required, only prerequisite to join is membership in the Steinbach Arts Council. The artists meet as a small group every Tuesday morning at the Steinbach Cultural Arts Centre to socialize and create together. They invite anyone to come and view the sessions, or participate if they wish. SEA hosts two Show & Sales at the Clearspring Mall; as well, you will find their members participating in several other exhibits in the region and Winnipeg.

Members work in oils, acrylic, watercolor, pastels, drawing and more. Artists of all ages and abilities in Southeast Manitoba are invited to join. For more information, call Kim Gwozdz at (204) 326-6186

The Steinbach Arts Council Hall Gallery features six exhibits throughout the season, featuring local and guest artists of all mediums. The mandate is to encourage new artists to develop their talents, and have an opportunity to share these talents with the community.

The Hall Gallery is located in the Steinbach Cultural Arts Centre – community arts recreation facility – a home for over 60 programs in dance, theatre, visual arts, music, and literary arts for all ages. Over 1000 people on average per week attend a class, workshop, recital, concert or event in association with The Steinbach Arts Council.

Thank you to our Hall Gallery Sponsor
