Wine lovers, mark your calendar for Friday, September 22. Tickets are \$25 at the SAC office and Steinbach Liquor Mart, or online at www.steinbachartscouncil.ca.

All proceeds of this fundraiser for the Steinbach Arts Council goes directly back into arts centre programming with the goal of *enhancing quality of life in our community through the arts*.

We are expanding the event opening both levels of the Centre for our guests - featuring over 90 wines from 25 different vendors. The evening will also be filled with delicious food, live entertainment, wine, and of course....canvases being filled with ART!

The event begins at 7 pm but feel free to come anytime throughout the evening. A wonderful array of scrumptious appetizers- creatively customized for this event, is sponsored by *Country Meat Deli*. In addition, *'R' Bistro* has sponsored a raffle basket fundraiser – consisting of “date night” packages, including assorted wines and cheeses, *'R' Bistro* restaurant gift certificates and tickets to a SAC concert.

The Hall Gallery will feature Art by a group of talented local artists – South East Artists (SEA). Another popular feature will be local artists will be creating artworks...on canvas...on site! And....local musicians will provide delightful entertainment.

The Steinbach Arts Council is thrilled to bring this one-of-a-kind event to Steinbach. Experience and be educated on the wine and wine making process of some the finest vineyards alongside fabulous food, art and entertainment. And good friends!

Please drink responsibly.
