### How much will it cost us?

- Nothing right now...\$7.5 million is in the City's Recreation & Cultural Fund
- Approx. \$45/household per year for operating costs (Dec 2016 report)

## Help Us Make This a Reality

## Why will it benefit us?

- Together we celebrate community life and values - all ages, cultures and faiths
- **\$26K of economic spinoff** from **ONE** show on average (1000 people)
- Young people, families and professionals will come to work and play
- **\$42K per production** to local businesses and creating jobs

## When will it be used?

- 161 days, according to present day usage; potentially to over 300+ days/year
- WSO, RMTc, and other professional agents are already requesting dates!

## Who will pay for it?

- \$7.5 million - City
- \$2.5 million - Private Sector
- Provincial & Federal grants
