

What is the Buy or Lease Art Program?

The Buy or Lease Art Program is a project of the Southeast Visual Arts Committee of Steinbach to put local art in our community. Proceeds are directed to the artists, encouraging the acquisition of new works, and towards educational programs in Visual Arts development.

Who Can Participate?

Businesses and homes may choose from a wide selection of original works of art for rental and/or purchase.

Where is Buy or Lease Art?

These works are on display in the Steinbach Cultural Arts Centre, as well as at many local businesses and homes.

Steinbach Credit Union

Mayor's Office - City Hall

How do I Become Involved?

The Southeast Visual Arts Committee will also come to your place of business or home and put up or exchange the artwork for you. All participating artists are registered with the S.A.C, who act as an agent, ensuring that a high quality of artwork is available to choose from.
